Board of Trustees

New policies and Construction details Keep board busy

AT THE TIME that Butler County Junior College changed its name to Butler County Community Junior College, another change was initiated. The Board of Regents is now called the Board of Trustees. This board is responsible for the important policy making decisions for the junior college. The members have been kept busy with construction details at the new campus, which is scheduled to be completed by September, 1966. Mr. Reed is the successor of Mr. Richard Maddox, a former member of the board.

OVER 1000 PEOPLE attended the open house sponsored by the Board of Trustees at the new campus early in October.

VISITORS to the junior college at open house viewed this architect's drawing of the completed campus.

BOTANICAL GREENHOUSE explained to Juco students by Mr. Fuller

STRONG SCIENCE and mathematics departments are essential in any liberal arts institution. These departments at Butler County Community Junior College meet the needs not only of students who major in these fields, but also of those who are majoring in other areas.

The science department offers both physical and biological science and sponsors a science club. Courses in mathematics vary from modern math to calculus. The science department is housed in the science wing of the science-academic complex and includes a lecture hall which seats ninety. The mathematics classes are held in the academic wing of the building.

Students Prepare For Degrees Or Terminal Skills

WHETHER A STUDENT desires to continue his business training for a college degree or whether he expects to seek employment after completing two years of work at Butler County Community Junior College, our expanded business curriculum affords him the opportunity to fulfill his requirements. One additional instructor and five new courses increased the offerings this year and resulted in a greatly enlarged enrollment in the business department under the direction of Mr. McKinney.

Nursing

Associate Degree Program Is Inaugurated

History was written this year when an associate degree program in nursing, the first in Kansas, was organized, subsequently approved by the Kansas State Board of Nursing, and then initiated into the curriculum at Butler County Community Junior College. Under the direction of Mrs. Marilynn Mettler, who was assisted by Mr. Samuel Hughes, the curriculum and course of study were painstakingly prepared. Students who are accepted into the program and complete the course of study will receive their Associate of Arts Degree and then will be eligible to write the State Board examinations, the completion of which in necessary to become registered nurses.

Music

Tuneful Expression Fosters Cultural Development

Various performing music groups appear before county audiences throughout the year upon invitation. The Collegiate Singers, a popular group of singers who are chosen by try-outs, appeared this year for the first time in new black and wine attire. The band, small ensembles, and the regular chorus also participate in special programs. The Christmas program, based on the Christmas Card motif, was well received by an appreciative audience. The annual spring tour to high schools in the area and the Palm Sunday cantata were the major spring activities. The Clef Dwellers is the club organization for all students interested in listening experiences and opportunities to appreciate various types of music.

Yearbook staff

In 1966 GRIZZLY GROWL staff is happy to present the largest yearbook in the history of our school. As Butler County Community Junior College has opened its door to greatly improved education opportunities, we invite our readers to "open the door" on a view of the many activities and the personnel that have made this one of our best years. The yearbook staff would like to give its thanks to those who helped earlier this year, and particularly, we wish to express our gratitude to Steve Moore who designed the cover and division pages.

THE SIX STUDENTS selected this year by the student body as the best representatives of the ideal junior college student were honored as the Campus Favorites at the annual Peppermint Candy Ball. Top honors were designated as Peppermint Prince and Princess.

Farewell

FOR TEN YEARS the building located at 1000 West First has served as the central campus of the junior college. When the current semester ends and the college equipment is subsequently moved to the new campus, the college use of this old familiar friend will be terminated. We bid farewell to the past and open the door to the future of our school.

In Memoriam

Charles Girod,

a sophomore from Towanda, majoring in data processing, died on September 21, 1965, as a result of a collision of his motorcycle and a car, on the outskirts of Towanda. He was born on December 3, 1946. Teachers and classmates alike considered him a friendly, reliable, and hard-working student whose influence and memory will not soon be forgotten.

New Students

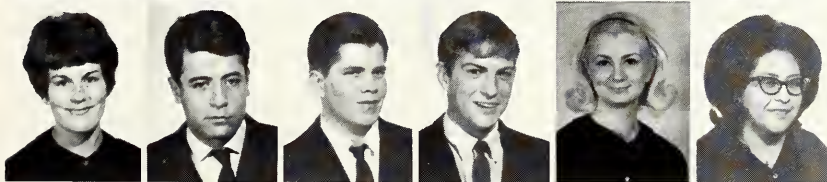

Second Semester Entrants Maintain Enrollment Level

Students who enrolled late in September and those who were new entrants in January helped to maintain

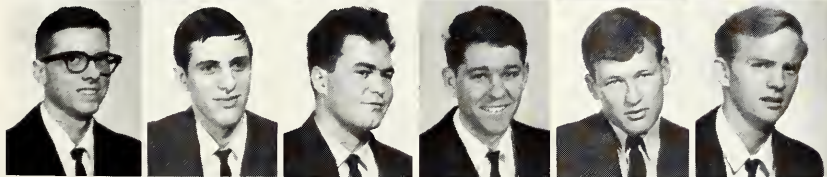

this year's record-breaking enrollment figures for Butler County Community Junior College. A total of 673 students were officially registered in September and 610 in January. Of the 610 for the second semester, 78 were new matriculants. These figures show a significant increase over last year's enrollment of 453 in September and 415 in January.

In Memoriam

Bill Flores,

a freshman from Kansas City, Missouri, majoring in secondary education, died May 20, 1966, near Topeka on the Kansas Turnpike, as a result of a one-car accident, while he was on his way to Kansas City. He was born March 16, 1946, and was a graduate of Lillis High School in Kansas City. A letterman of the 1965 football team, he played quarterback on offense and halfback on defense. Friends and associates will remember Bill for his sense of humor and his friendly personality.

Theater and Debate

THE SPRING PRODUCTION of Pi Delta Theta, the junior college dramatic group, was Tennessee William's "The Glass Menagerie," directed by Mr. Patten. The actors played four nights to appreciative audiences. This, the last production of the Circle Theater at the old campus, was heightened by the simplicity and symbolism of its scenic design.

Students in debate, for the first time in a number of years, were presented gold and purple letters in April by Mr. McAdoo as an award of their achievement. By enrolling both semesters in the course and participating in at least eighteen rounds of intercollegiate debate, a student is eligible to receive a letter.

Phi Rho Pi

THE NATIONAL DEBATE and forensic fraternity for junior colleges was rechartered at Butler County this year. Originally chartered in 1934, the chapter had not been active for several years. Eleven students in debate, forensics, and oral interpretation were initiated into the organization in May. Steve Moore received a I rating in men's original oration in the state junior college meet, and later placed third in the state college meet. Cindy Johnson placed fifth in women's original oration in the college meet.

Delta Psi Omega

EIGHT STUDENTS were initiated into the national honoray dramatic fraternity for junior colleges early in May. Mr. McAdoo, co-sponsor, was granted an honorary membership. Membership in Delta Psi Omega is earned by those students performing a high quality of dramatic activity.

Mr. Patten, sponsor of Delta Psi Omega is assisted by Mr. McAdoo, and in turn assists Mr. McAdoo, sponsor of Phi Rho Pi.

THE ANNUAL SPRING BANQUET and prom, held May 14, featured aquatic scenes and underwater fantasy. The dining room at Lehr's in Augusta was simply arranged with nautical accessories, the theme being included in the backdrop. Glenn Taliaferro, president of the student council, presided as master of ceremonies. The Collegiate Singers provided special music, and Dr. G. E. Kassenbaum, a member of the Board of Trustees, was the guest speaker. Setting for the prom, which was held at the El Dorado Elks' Club, was centered around an underwater castle and gave an illusion of marine life. Snyder's Orchestra of Wichita furnished the music.
